

## **CAREER NEWSLETTER**

**Week 8 - Term 1, 2017.**

---

### **FOCUS ON THE MELBOURNE CAREERS EXPO**

This Expo is the best attended and longest running careers event in Australia. The VCE and Careers Expo 2016 attracted over 32,000 visitors, 180 exhibitors and 120 seminars. This year proves to be even better as Australia's biggest careers expo celebrates 25 years.

Exhibitors with:

- information and resources for senior students
- information about university, TAFE and training courses
- career advice
- study advice
- international exchange and gap year programs

Seminars including:

- study strategies and tips
- tertiary courses
- careers
- selecting subjects
- gap year options

**Moama Anglican Grammar is offering this as a FREE event for students and families on Sunday 7 May.**

For more information about the expo see – [www.vceandcareers.com.au/](http://www.vceandcareers.com.au/)

Parents are encouraged to attend with students. A coach will be departing the School at 7:30am and returning at 5:00pm. The School has secured free tickets for entry into the expo and there is no charge for transport. Places on this trip are limited so get in early to avoid disappointment. Please email Mr Martin ([smartin@moamagrammar.nsw.edu.au](mailto:smartin@moamagrammar.nsw.edu.au)) so permission notes can be arranged.

Mr. S Martin  
(Career Adviser)

### The Future of Jobs

There is concern among students and parents that job losses through robotics, artificial intelligence and technology is creating uncertainty about future employment.

There's no question that technology will impact on future jobs and employment. Some jobs will disappear and new ones will be created. In fact there is evidence to suggest that there will be a net gain of jobs with 82% of companies saying they are likely to hire more people in the future. [Click here](#) to read more.

### **Nutrition Science at ACU**

The Bachelor of Nutrition Science will be offered at the Melbourne campus from 2018. Studies will include food science, community and public health nutrition, and the role of diet in health promotion and disease prevention. The program will also provide a pathway for postgraduate studies in dietetics. Dietitians treat disease and illness with clinical nutrition and therefore require further substantial theory and supervised professional practice training in health settings. For information, go to [www.acu.edu.au/courses/undergraduate/exercise-science/nutrition-science/bachelor-of-nutrition-science](http://www.acu.edu.au/courses/undergraduate/exercise-science/nutrition-science/bachelor-of-nutrition-science)

### **Interested in starting your own business one day?**

Swinburne University offers a major in Entrepreneurship and Innovation as part of the Bachelor of Business. This year Swinburne began fostering startups through the [Innovation Precinct](#). The precinct includes seed funding and expert mentorship. As part of this, a \$6.5 million redevelopment of the old fire station on the Hawthorn campus will become the home for the Innovation Precinct. It will be capable to house 10 resident startups a year. To get you inspired, check out 7 startups founded by Swinburne graduates at this [link](#).
