Annual Giving

Moama Anglican Grammar is a co-educational institution catering for students in Kindergarten to Year 12. Established in 2005 in Moama, our school quickly grew in size and reputation; we now offer a comprehensive curriculum to more than 700 students on one campus.

Moama Anglican Gramma is the region’s only institution to offer K-12 education on the one campus, enabling our students to pass seamlessly across the traditional transition points of Primary and Secondary School. Our focus is on each student as an individual, seeking to assist each of them to achieve their potential. We aim for students to develop a strong sense of honour, caring for themselves, others and the world they live in.

This year’s program will focus on the purchasing of new resources for our library, as well as funding annual scholarships and bursaries for current and prospective students.

Your enthusiasm for supporting our School sends an important message to others: that you care about our School community and want to see it thrive.

If you have donated to our School in the past, I say thank you and hope that you will consider a donation in the Annual Giving Program. If you have never made a donation to our School, I would be grateful if you may consider doing so this year and for years to come.

Your annual gift, no matter the size, enables Moama Anglican Grammar to flourish. It is a tangible demonstration of your desire for our School to do its best in providing a safe and inspiring educational environment that provides students with the skills and confidence to move forward in life.

Kelly McKay
Acting Principal

Our Goal
When Moama Anglican Grammar was first established in 2005, we relied on the goodwill of many generous donors. Annual Giving is a way of ensuring that Moama Anglican Grammar continues to strengthen its unique offering to students. Our mission is to provide a safe and inspiring educational environment that provides students with the skills and confidence to move forward in life. As Moama Anglican Grammar Continues to grow, the needs of our students increase. Your contribution to our School will vastly improve our Moama Campus and the education and futures of our valued students.

Library Resources Fund
Construction began on our new Library this year, with the landmark development to open at the beginning of the next year. With support from the School Community, we hope to stock this state-of-the-art building with improved resources for our students.

Scholarships Fund
Scholarships provide access to education that will transform the lives of talented students. Moama Anglican Grammar currently offers three types of scholarships in the following categories: Academic, General Excellence and Music.

Academic: These scholarships are offered to prospective students entering Years 7 - 11. Successful applicants are selected according to test results gained through the Edutest Scholarship Testing Program, to select academically gifted students and an interview with the Principal and other senior staff (for short-listed applicants only).

General Excellence: General Excellence Scholarships are open to students in Years 7 - 11, both current and prospective students, who have achieved to a very high level in their chosen co-curricular endeavours

Music: Students with musical talent are invited to apply for a Music Scholarship for entry into Years 7-9 at the School. Music scholarships are only available to students not yet attending Moama Anglican Grammar.

Bursary Fund
With the recent establishment of a Bursary Fund our School now has available a Bursary enrolment for a student or students not yet attending Moama Anglican Grammar to commence study within Years 9-11 where circumstances of financial hardship exist.
