## Casual Dress Day

This is a designated day as directed by the Deputy Principal and usually linked to charitable events. The School does expect that students will dress in a way that reflects positively on themselves and on the School.

The mode of dress is expected to be modest and appropriate for the designated event and monitored by staff, accordingly the following guidelines should be followed (at all year levels):

- Closed shoes. No thongs, flip-flops or heels.
- Shoulders and midribs to be covered.
- No short shorts/skirts or shirts; skirts are to be at least mid-thigh to knee length.
- Neat, clean and presentable appearance, as per the uniform guidelines.
- Items of clothing in good repair.

If students dress inappropriately, a call will be made to parents and students will be required to return home to change.

This is the only exemption to the uniform rule.

Guy Evans  
**Principal**
