Agriculture, Rural Studies, Animal Science

What are my interests, qualities and skills?

I'm interested in... the land, the environment, crop growing, farming, plants, animals and animal welfare

I'm... observant, confident with animals, organised, good with detail and patient

...and I'm good at... making things, planning, maths, technical drawing, manual work and working with animals

What careers use those skills?

I could be a... land manager, winemaker, wool classer, stud manager/trainer, animal handler, produce manager, farmer, grazier, horticulturalist

What courses could I study?

I could study... agribusiness, agricultural science, animal production science, crop production, equine science and horse management, horticulture, farm and land management, plant pathology, post-harvest technology, viticulture and wine science, wool science, zoology

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Agriculture, Biology, Business Studies, Chemistry, English, Geography, Mathematics, Physics

[BACK TO LIST](#)

Architecture, Building, Design and Planning

What are my interests, qualities and skills?

I'm interested in... how things work, cityscapes, buildings, building design, architecture, gardens and landscapes

I'm... artistic, imaginative, organised, good with detail, creative, orderly and conscientious

...and I'm good at... making things, coming up with original ideas, drawing, designing, and solving problems

What careers use those skills?

I could be a... landscaper, architect, construction manager, estimator, surveyor, interior designer, environmental planner, industrial designer

What courses could I study?

I could study... construction economics, construction/project management, construction technology, fashion design, industrial design, interior design, landscape architecture, quantity surveying

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Design and Technology, Industrial Technology, Mathematics, Physics, Visual Arts, Information Processes and Technology

[BACK TO LIST](#)

Arts and Humanities

What are my interests, qualities and skills?

I'm interested in... current affairs, social issues, politics, world events, languages, writing and literature, religions and cultures, history

I'm... artistic, creative, conscientious, efficient, industrious, resourceful, imaginative

...and I'm good at... creative writing, debating, languages, solving problems, thinking critically, using technology

What careers use those skills?

I could be a... anthropologist, archaeologist, archivist, gallery curator, historian, foreign affairs officer, government policy officer, journalist, producer, language specialist, media officer, researcher, social researcher, marketing manager, analyst, translator or interpreter

What courses could I study?

I could study... Aboriginal studies, archaeology, Asian studies, cinema studies, English, modern/ancient history, international studies, languages, literature, philosophy, political science, psychology, religious studies, sociology, women's studies, media, communications, publishing

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Business Studies, English (Advanced), Geography, History, Languages, Visual Arts, Community and Family Studies, VET Tourism

[BACK TO LIST](#)

Business, Commerce, Economics, Marketing and Management

What are my interests, qualities and skills?

I'm interested in... politics, economics, business, international affairs, current affairs, finance and banking, statistics

I'm... good with money, ethical, organised, persuasive, independent, outgoing

...and I'm good at... leadership, mathematics, solving problems, showing initiative, critical thinking, logical thinking and negotiating

What careers use those skills?

I could be a... entrepreneur, business analyst, project manager, accountant, auditor, business adviser, banker, economist, stockbroker, business consultant, financial analyst, financial planner

What courses could I study?

I could study... accounting, actuarial studies, agribusiness, banking, e-commerce, financial advising, industrial relations, international business, human resource management, statistics

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Business Studies, Legal Studies, Economics, English, Mathematics, VET Tourism

[BACK TO LIST](#)

Communications and Media Studies

What are my interests, qualities and skills?

I'm interested in... current affairs, literature, popular culture, social media, world events

I'm... a good communicator, organised, imaginative, persuasive, creative, resourceful, an independent worker

...and I'm good at... writing, public speaking, debating, thinking creatively, motivating people, analytical thinking, using initiative

What careers use those skills?

I could be a... filmmaker, advertising account manager, TV producer, journalist, multimedia designer, marketing manager, public relations manager, editor

What courses could I study?

I could study... advertising, film, information management, journalism, production, multimedia, television, radio, video, writing

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... English, History, Visual Arts, Design and Technology, Industrial Technology, Software Design and Development, Information Processes and Technology

[BACK TO LIST](#)

Creative and Performing Arts

What are my interests, qualities and skills?

I'm interested in... theatre, fashion, popular culture, music, photography, drawing, creating things

I'm... creative, good with detail, imaginative, organised, a good communicator, an independent worker, outgoing

...and I'm good at... dancing, acting, performing, making things, playing an instrument, writing, photography, working things (technical skills), solving problems, using initiative

What careers use those skills?

I could be a... film director, artist, musician, song writer, TV producer, writer, journalist, animator, fashion designer, photographer

What courses could I study?

I could study... animation, creative writing, fashion, fine arts, graphic design, illustration, music, photography, theatre studies, visual arts

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... English, Dance, Design and Technology, Drama, Music, Software Design and Development, Visual Arts, Information Processes and Technology

[BACK TO LIST](#)

Earth and Environmental Sciences

What are my interests, qualities and skills?

I'm interested in... being outdoors, the environment, nature, oceans, marine life, volcanoes, weather, waterway, diving, animals, bushwalking, science

I'm... good with detail, organised, observant, resourceful

...and I'm good at... mathematics, design, science, working alone, working outdoors, critical thinking, solving problems

What careers use those skills?

I could be a... environmental scientist, a conservationist, forestry worker, fisheries manager, marine conservation officer, environmental officer, food and drug safety officer, resource manager, environmental planner, urban planner

What courses could I study?

I could study... climate change, conservation studies, environmental rehabilitation studies, food sustainability, forestry, geography (human and physical), geology, geophysics, marine resource and environmental management, sustainability

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Biology, Chemistry, Design and Technology, Mathematics, Physics, Geography

[BACK TO LIST](#)

Education and Teaching

What are my interests, qualities and skills?

I'm interested in... helping people, being outdoors, social equality, teaching and learning, school, children

I'm... active, a good communicator, patient, creative, organised, outgoing

...and I'm good at... time management, leadership, English, maths, planning, presentation, thinking critically

What careers use those skills?

I could be a... primary teacher, secondary teacher, early childhood teacher, community educator, health and fitness consultant, personal trainer, fitness trainer

What courses could I study?

I could study... adult education, community education, early childhood teaching, health education/promotion, human resource development, organisational learning, primary teaching, secondary teaching curriculum areas

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Biology, Chemistry, English, Geography, History, Mathematics, Personal Development, Health and Physical Education (PDHPE), Physics, Community and Family Studies

[BACK TO LIST](#)

Engineering

What are my interests, qualities and skills?

I'm interested in... maths, science, construction, electronics, computers, programming, mechanics, how things work, robotics

I'm... organised, creative, good with detail, technically minded, patient, persistent, resourceful, analytical

...and I'm good at... drawing, planning, computing, leadership, designing, solving problems

What careers use those skills?

I could be a... civil engineer, electrical engineer, chemical or materials engineer, industrial engineer, manufacturer, mechanical engineer, production engineer, construction manager

What courses could I study?

I could study... civil, computer, construction, electrical, environmental, or mechanical engineering, engineering science, robotics, mechatronics, telecommunications

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Chemistry, Mathematics, Physics, Design and Technology, Industrial Technology, Information Processes and Technology

[BACK TO LIST](#)

Health Sciences

What are my interests, qualities and skills?

I'm interested in... health, nutrition, how the body works, people, science, alternative medicines, helping others

I'm... caring, curious, dependable, patient, a good communicator, critical thinker, curious, organised, observant, open minded

...and I'm good at... leadership, fine motor skills, solving problems, working with others, time management, listening

What careers use those skills?

I could be a... ambulance officer, a paramedic, podiatrist, radiographer, occupational therapist, chiropodist, chiropractor, doctor, physiotherapist, speech therapist, audiologist, sonographer, community health worker, nurse, health researcher

What courses could I study?

I could study... biomedical sciences, chiropractic, Chinese medicine, clinical science, dental science, medical imaging, medical laboratory science, naturopathy, nuclear medicine, nutrition and dietetics, occupational therapy, osteopathy, physiotherapy, podiatry, radiography, speech therapy

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Biology, Chemistry, Personal Development, Health and Physical Education (PDHPE), Mathematics, Physics, Food Technology

[BACK TO LIST](#)

Human Movement, Sport Sciences and Physical Education

What are my interests, qualities and skills?

I'm interested in... sport, coaching, fitness and exercise, how the body works, nutrition, biology, health, being outdoors

I'm... a good communicator, patient, organised, enthusiastic, supportive, persuasive, fit and healthy, confident, outgoing

...and I'm good at... sports, public speaking, leadership, motivating others, fine motor skills, solving problems, teaching others, science

What careers use those skills?

I could be a... disease prevention educator, exercise scientist, fitness counsellor, exercise rehabilitation worker, medical scientist, medical researcher, occupational therapist, sport scientist, sports coach, trainer

What courses could I study?

I could study... exercise physiology, exercise science, sports coaching, sports journalism, sports management, sports psychology, anatomy and physiology, psychology

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Biology, Chemistry, Mathematics, Personal Development, Health and Physical Education (PDHPE), Physics, Modern History, Mathematics, Food Technology

[BACK TO LIST](#)

Information Technology

What are my interests, qualities and skills?

I'm interested in... computers, internet, web technologies, social media, electronics, programming, designing

I'm... organised, orderly, good with detail, persistent, level headed, happy to work alone

...and I'm good at... computing, using technology, mathematics, solving problems, thinking logically, thinking creatively, making decisions

What careers use those skills?

I could be a... systems analyst, software developer, IT consultant, graphic designer, game designer, web designer, digital media producer, filmmaker, illustrator, photographer, visual effects artist

What courses could I study?

I could study... computing, computer science, electronics, information systems, programming, software engineering

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Business Studies, Design and Technology, English, Mathematics, Information Processes and Technology, Industrial Technology

[BACK TO LIST](#)

Law

What are my interests, qualities and skills?

I'm interested in... research, justice, fairness, equality, current affairs, politics

I'm... outgoing, organised, observant, open minded, persistent, persuasive

...and I'm good at... debating, public speaking, writing, researching, evaluating information, negotiating, logical thinking

What careers use those skills?

I could be a... legal officer, politician, police officer, barrister, solicitor, judge, magistrate

What courses could I study?

I could study... law, conveyancing, justice studies, legal studies, paralegal studies, political studies

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Business Studies, Economics, English, Legal Studies

[BACK TO LIST](#)

Medical Sciences and Medicine

What are my interests, qualities and skills?

I'm interested in... environment, health, nutrition, how the body works, people, science, alternative medicines, helping others, research, experimenting

I'm... caring, patient, a good communicator, inventive, curious, organised, good with detail, observant

...and I'm good at... leadership, fine motor skills, time management, making decisions, problem solving

What careers use those skills?

I could be a... doctor, biomedical engineer, forensic officer, genetic counsellor, medical researcher, pathologist, pharmacist, biochemist, laboratory technician

What courses could I study?

I could study... biomedical sciences, medicine, nanotechnology, optometry, pharmacy

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Biology, Chemistry, Mathematics, Physics, Community and Family Studies, Food Technology

[BACK TO LIST](#)

Nursing and Midwifery

What are my interests, qualities and skills?

I'm interested in... healthcare, helping others, mothers and babies, childbirth

I'm... caring, kind, a good communicator, dependable, supportive, responsible, tolerant, patient

...and I'm good at... using initiative, Teamwork

What careers use those skills?

I could be a... nurse, midwife, surgical nurse, paediatric nurse, aged care nurse, community health nurse, disability care nurse, critical care nurse, nurse educator, health administration, occupational health, Indigenous health, mental health, pharmaceutical industry rep, social and health policy officer

What courses could I study?

I could study... behavioural and social sciences, Indigenous culture, primary healthcare medical/ surgical nursing, perioperative nursing, high-dependency nursing, oncology, palliative care, aged care, paediatrics, maternal and infant care, mental health, rehabilitation, community nursing

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Biology, Chemistry, English, Mathematics, Community and Family Studies

[BACK TO LIST](#)

Science, Applied Science and Technology

What are my interests, qualities and skills?

I'm interested in... health, nutrition, alternative medicines, helping others, the environment, weather patterns, people and communities, marine life, space, astronomy, science, research, experimenting, animals, nature, computers, psychology

I'm... curious, organised, creative, good with detail, observant, resourceful

...and I'm good at... solving problems, critical thinking, leadership, mathematics, logical thinking, chemistry, biology

What careers use those skills?

I could be a... pharmacist, medical marketer, medical advocate, laboratory technician, counsellor, community worker, sports psychologist, field researcher, urban planner, data analyst, geologist

What courses could I study?

I could study... agricultural science, applied studies, aviation science, biological science, chemistry, climate change, equine science, food science or technology, forensics, horticulture, marine science, mathematics, medical science, nanotechnology, physics psychology, statistics, technology, veterinary sciences, zoology

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... Biology, Chemistry, Mathematics, Physics, Community and Family Studies, Food Technology

[BACK TO LIST](#)

Social Sciences

What are my interests, qualities and skills?

I'm interested in... people and communities, world events, current affairs, politics, health, social responsibility, immigration, policing, justice, fairness, working with people

I'm... organised, a good communicator, curious, resourceful, fair, helpful

...and I'm good at... critical thinking, making decisions, solving problems

What careers use those skills?

I could be a... occupational therapist, community care officer, social worker, welfare support officer, welfare worker, legal practitioner

What courses could I study?

I could study... behavioural science, commerce, criminology, geography, policing policy studies, social ecology, sociology

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... English, Modern History, Economics, Geography, Mathematics, Legal Studies, Community and Family Studies

[BACK TO LIST](#)

Social Work and Welfare

What are my interests, qualities and skills?

I'm interested in... people and cultures, health, social responsibility, fairness, helping others

*I'm...*organised, a good communicator, curious, resourceful, fair, helpful

...and I'm good at... critical thinking, making decisions, solving problems

What careers use those skills?

I could be a... community care officer, social worker, welfare support officer, welfare worker, aged care worker, disability officer, migrant welfare officer, child protection officer

What courses could I study?

I could study... social work, children and young people, ageing, health and disability, Indigenous studies, social policy, sociology, psychology, social research, research skills

What subjects could I choose for Year 11 and 12?

...and these are subjects I could choose for Year 11 and 12... English, Modern History, Economics, Mathematics, Legal Studies, Community and Family Studies

BACK TO LIST

Tourism and Hospitality Management

What are my interests, qualities and skills?

I'm interested in... tourism, people and cultures, world events, languages, helping others, being outdoors, being active

I'm... organised, good with detail, a good communicator, confident, patient, persistent, sincere, friendly, flexible, punctual

...and I'm good at... languages, leadership, planning, serving customers, solving problems, working with people from diverse backgrounds

What careers use those skills?

I could be a... tour operator, event manager, travel consultant, resort manager, environmental planner

What courses could I study?
