

MOAMA  
ANGLICAN  
GRAMMAR

# Year 11 2018 Information Evening

# Honoris et Excellentia

# Format of the Evening

- Welcome
- The HSC
- The ATAR
- Pathways
- Careers and Morrisby
- Subjects and Selection Process
- Faculty Expo

# The HSC

- Higher School Certificate (HSC) the highest educational award available in New South Wales Schools
- To achieve the HSC students must complete - 12 units of Preliminary courses and 10 units of HSC courses
- Students must complete the Preliminary course first, before they are eligible to commence the corresponding HSC course
- Preliminary runs from Term 1 to Term 3 2018
- HSC Runs from Term 4 2018 – Term 4 2019

# The ATAR

- The ATAR is a rank, not a mark
- Best two units of English and your best 8 units from your subjects
- Strategy to get the best ATAR for you
- Choose what interests you!!

## Your HSC marks

**Your HSC** marks provide information about how well you have achieved in each of the courses you have completed.

**Your HSC** Record of Achievement provides a profile of your performance in the different courses you have studied.

**Your HSC** marks are reported against standards.

**Your HSC** marks are provided by the Board.

## Your ATAR

**Your ATAR** provides information about how well you have performed overall against other students.

**Your ATAR** allows you to be compared with students who have completed different combinations of courses.

**Your ATAR** is a rank, not a mark.

**Your ATAR** is provided by UAC.

# Pathways in Year 11 and 12

“It is not enough for education to produce individuals who can read, write and count.

Education must be transformative and bring shared values to life. It must cultivate an active care for the world and for those with whom we share it.”

Source: Priority #3: Foster Global Citizenship [globaleducationfirst.org](http://globaleducationfirst.org)

# Pathways in Year 11 and 12

We are in an era of UBIQUITOUS learning.

By 2030

- 2 billion of current jobs may be gone.
- Many jobs will have been non existent in 2017.
- Just under half of the number of current 5 year olds may need to be self employed to have a job.
- The amount of technical information is doubling every two years.

# Pathways in Year 11 and 12

- ATAR and HSC – heading towards further Tertiary Studies and careers that require a Degree.
- RoSA – Record of School Achievement for those students aiming for an Apprenticeship, TAFE or the workforce. Modified Preliminary and HSC course.
- Traineeship that may involve the study of Work Studies and a workplace placement.
- Vocational Educational and Training (VET) subjects that gain students a certificate qualification.
- Completing HSC over two years.
- (Option of applying for a University course as a mature age student in later years).

# Year 10 to Year 11 Pathways

Subjects offered at Year 9 and 10 Have pathways through the HSC, although they may not have the same names.

For Example – Forensic Science – is not a “HSC Subject” although its pathway leads to Legal Studies and Biology

Psychology – Leads to Society and Culture and Community and Family Studies

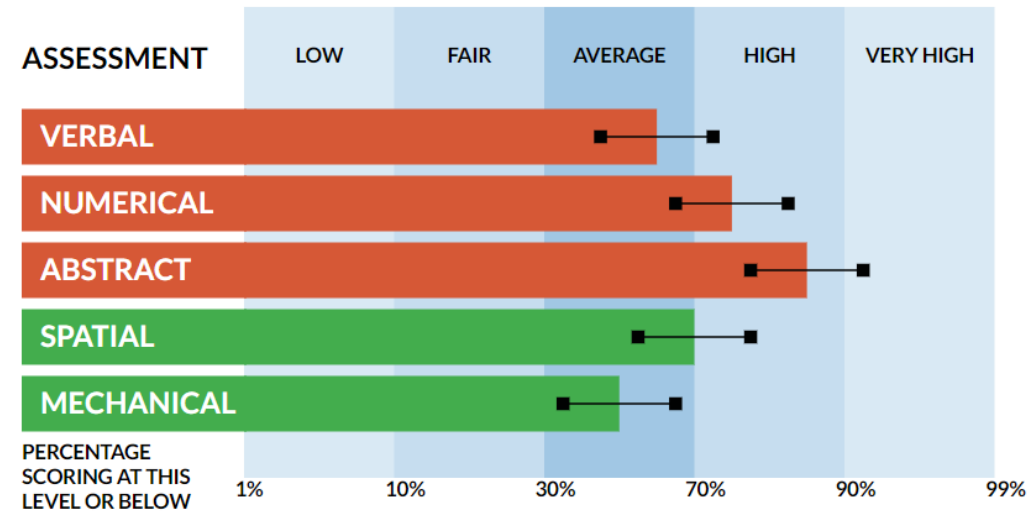

# Careers Program

- Camp
  - Passion + Talent + Ideals = Fulfilling Life
- Work Experience
  - 20-24 November
- Morrisby
  - [www.morrisby.com](http://www.morrisby.com)

## A Your Potential and Relative Strengths

### More Information

- [What do the results mean?](#)
- [What is measured?](#)
- [What is the black line for?](#)

### Interpretation

Your high abstract result, lower numerical and verbal results suggests that you might prefer working with real objects, diagrams, plans and quantitative analysis. These are useful skills for engineering, technology and some commercial areas. You may prefer learning from charts, models, videos and your own experiences rather than just from books or lectures.

Highest Qualification I Hope To Achieve:

Degree (3+ years) ▼

Next

*This next section needs to be completed **before** your Subject Selection interview. It is advisable that you **work through it with a parent or carer**. Follow the steps below:*

#### **Before your interview**

You should read through the findings in the 'Profile' section and work through the 'Planning' sections. Please indicate your intended qualifications, review your career suggestions and, ideally, 'favourite' some careers, courses or training routes.

#### **At your interview**

During this session a summary of your Morrisby Report and the information you provide in the 'Planning' sections will be discussed. This will help give direction to selecting HSC subjects and making career plans.

#### **After your interview**

You will retain lifetime access to the website and be able to contact an adviser if you have any specific questions.

***When you are ready click the 'Next' button below and answer the questions displayed. Remember to do this with a parent/carers before your Subject Selection Interview.***

**Next**

# Subject Selection Process

- Information Evening and Faculty Expo (tonight)
- Collect subject selection online instructions and unique password
- Subject Handbook to be emailed home tomorrow
- Initial Selection Survey completed by August 3<sup>rd</sup>
- From the results of this survey blockings arranged and offerings finalised
