

# Courses in Sport

This document has been developed to assist students and parents in researching undergraduate sport courses in Victoria, Canberra and New South Wales. It isn't an exhaustive list, and students are encouraged to research their options and to attend tertiary information sessions throughout the year.

## Exploring courses:

You can search the state based Tertiary Admission Centre websites for information about courses. Please be aware that this information is for the 2015 selection period and some health courses may change in 2016. ATARs are for the 2014 selection period and may rise or fall in the 2016 selection period. Please only use them as a guide. Use the Herald Sun Tertiary Guide for Victorian 2015 Round 1 ATARs for the most up to date information- <http://tinyurl.com/pyuznlm>

To search for **Victorian** courses, use the Victorian Tertiary Admission Centre (VTAC) course search function

- [www.vtac.edu](http://www.vtac.edu)
- Click on Course Search
- Enter in key terms such as health, osteopathy etc.
- Use the advance search to narrow your options.

To search for **Canberra and New South Wales** courses, use the University Admission Centre (UAC) course search function
