

This document has been developed to assist students and their families in researching undergraduate nursing, midwifery and paramedicine courses. It isn't an exhaustive list, and students are encouraged to research their options and to attend tertiary information seminars throughout the year.

Exploring courses

You can search the state-based Tertiary Admission Centre websites for information about courses. Please be aware that this information is for the 2018 selection period and some courses may change in 2019. To search for Victorian courses, use the Victorian Tertiary Admissions Centre (VTAC) course search function at <http://www.vtac.edu.au/>

- **ATARs** – all ATARs listed in brackets in this document are from the 2018 intake and may change for the 2019 intake. Please only use them as a guide.
- **English prerequisite:** EAL = English as an Additional Language.
- **Prerequisites** – can change throughout the year. Please use the ones listed as a guide only.
- **Courses** – This document only lists on-campus Bachelor level courses at Government funded universities.
