Our Core Values

To promote Christian beliefs and values, we strive to be a community of:

- Compassion - Loving our neighbours as ourselves; being people who show kindness, who care and are willing to help others.
- Respect - Valuing others and their unique contribution to our life.
- Integrity - Living consistently with who we are called to be; doing the right thing even if no one is watching, being true to our beliefs and values.

Our Curriculum

The Higher School Certificate (HSC) offered in NSW is the premium Year 12 qualification in Australia which is evident as many International Schools choose to do the HSC over all other State qualifications. It is seen to open doors for students by giving them the skills and options to succeed in their chosen profession after School.

The HSC opens doors by offering a number of Pathways students can undertake which caters for all student's needs. As such, Moama Anglican Grammar offers the NSW Higher School Certificate (HSC) with a number of pathway options to cater for all student's needs including students who excel academically.

In Years 10, 11 and 12 students have the option to undertake an Extension Pathway which is aimed at students pursuing interests in their favourite subjects as well as helping to maximise their ATAR results. Moama Anglican Grammar offers an Extension Pathway in Year 10, 11 and 12 in Mathematics and English. Students in Year 12 are also able to engage in further Extension subjects in Science and History.
