

## YEAR 12 CAREER INFORMATION - TERTIARY APPLICATION

The following information is provided to assist students (and their parents) plan their tertiary applications. It supplements the VTAC Information Night (Thursday 23 July, 2020). To view a recording of the Information Night presentation [click here](#).

Central offices in each state administer the application and offer process for tertiary courses in Australia.

For **Victorian** universities the central office is the Victorian Tertiary Admissions Centre (VTAC). See [www.vtac.edu.au/](http://www.vtac.edu.au/)

VTAC will process your application for Victorian tertiary institutions but if you wish to apply for courses in another state you will need to contact the tertiary admissions centre in the same state as the institution. The courses and application instructions are listed in the appropriate interstate tertiary course guide (available in print and/or online). See below for details of admission centres/authorities for each state:

- **NSW/ACT** Universities Admissions Centre (UAC): [www.uac.edu.au](http://www.uac.edu.au)
- **NT/SA** South Australian Tertiary Admissions Centre (SATAC): [www.satac.edu.au](http://www.satac.edu.au)
- **QLD** Queensland Tertiary Admissions Centre (QTAC): [www.qtac.edu.au](http://www.qtac.edu.au)
- **TAS** University of Tasmania: [www.utas.edu.au](http://www.utas.edu.au)
- **WA** Tertiary Institutions Service Centre (TISC): [www.tisc.edu.au](http://www.tisc.edu.au)

NB. A small number of institutions do not use a central office, but manage their own entry process. For these, students will need to make direct application to the institution.

### Application Process

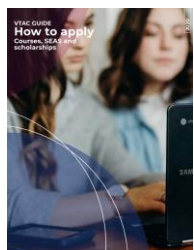

Students need to register with **each** admissions centre before they can apply for tertiary courses in that state.

To register with VTAC -

- Students will need their NESA HSC number and select a PIN to register.
- A VTAC ID number will be given after registration
- The processing fee can be paid at a later date, but must be paid by the 31 October, otherwise application will not be considered.

### How to apply:

The VTAC website will take you through the steps – <http://www.vtac.edu.au/y12guide.html>

In addition to this, the *2020 VTAC Guide – How to apply* covers the same information in a print friendly guide. Download a pdf [here](#).

Information includes:

- Understanding the VTAC process
- Creating your account
- How to apply for courses, SEAS and Scholarships
- Understanding the preference system

For information on courses and institutions go to <http://vtac.edu.au/courses-inst.html>. Search for courses online: <http://delta.vtac.edu.au/CourseSearch/searchguide.htm>
