What maths skills does a professional tradie need?

Think that if you're a budding tradesperson, dropping maths is no big deal? In actual fact, hands-on construction gigs use numbers a lot more than you'd think.

Here, we look at how algebra, trig and basic area skills are just as important to a successful tradie's toolkit as a fancy drill, <https://bit.ly/2LHdSh4>

Planning on studying teaching in the future?

If you are planning on applying for an undergraduate education degree in the future, you will need to be aware of selection criteria for each state.

Victorian courses

- Achieve a minimum ATAR of 70 - Some universities will require a higher ATAR. You may be able to access entry into courses with a lower ATAR if you are eligible for ATAR adjustment points.
- Complete the CASPer test - This is an online video-based situational judgment test. The test is designed to measure ethics, empathy and communication (selected universities will require this), <https://takecasper.com/>
- Achieve prerequisites - Meet the requirements for prerequisite subjects.
- Achieve minimum study scores - This will vary between universities.

NSW courses

- Teaching Questionnaire - You may need to complete a Teaching Questionnaire via the Universities Admissions Centre.
- Motivation to Teach - You may need to complete a Motivation to Teach statement direct to the university.
- Achieve prerequisites - Meet the requirements for prerequisite subjects.
- Achieve minimum study scores/bands - This will vary between universities.

Please contact the universities you will be applying to for specific information.

Defence Force Gap Year

An [Army Support Gap Year](#) role is a unique opportunity for students to experience life in the Army, without needing to make a long-term commitment. The skills obtained through the Army Support Gap Year program will provide them valuable work and life experience, which are transferable to civilian employment opportunities. It enables Gap Year members personal and professional development for their next endeavour.

In an Army Support role, recruits will learn logistic and task management skills to ensure the Army has the necessary supplies for exercises and humanitarian operations. Gap Year recruits can experience what life in the Army is like in one of three rewarding Army Support Gap Year roles. They may assist in the movement of supplies as a Driver, manage logistics as a Warehouse Coordinator, or become the point of contact within a unit as an Administration Assistant.

Gap Year applications are closing soon. Explore more about the [Army Support Gap Year](#) or contact Defence Force Recruiting on [13 19 01](#) for more information.
