Scholarship program 2024

Moama Anglican Grammar strives to provide a safe and inspiring educational environment that equips students with the skills and confidence to help create their future.

Moama Anglican Grammar

Our School

Moama Anglican Grammar is a co-educational, independent Kindergarten - Year 12 Anglican School with an open entry policy.

With strong community support, sound financial management and hard work by dedicated teachers and parents, the School has developed into a thriving educational community.

Commencing in 2005 with 16 students, the School has grown rapidly to over 650 students, with facilities keeping pace with the increasing student numbers.

In 2010 the Board made a significant strategic decision to open additional Year Levels from Kindergarten to Year 4. This expansion consolidated the School within the region as a unique single campus school offering continuous education from Kindergarten to Year 12. In addition to the building program, the academic and co-curricular programs have also been strengthened and expanded.

Offering K-12 on the one campus enables students to pass seamlessly across the traditional transition points of primary and secondary school. Students can experience our culture of care for the duration of their schooling starting from Kindergarten, with Year 7 being the other common entry point. As a consequence, knowledge about each student can be passed on from year to year ensuring students are catered for in terms of their individual needs.

Our diverse student base resides in both NSW and Victoria. Echuca/Moama is an important agriculture region as well as having a strong tourism industry. Many families are engaged in these industries in addition to the health sector and essential services.

Students are encouraged to engage with every aspect of school life. The School operates academically as a primary school and secondary school, with various opportunities for collaboration throughout subjects, co-curricular programs, extra-curricular events and pastoral care programs. Students are also able to mix in the school grounds.

Scholarship Information

Moama Anglican Grammar is delighted to offer a range of scholarship opportunities for current and new students across Years 7-11 in 2024.

Applicants must demonstrate a commitment to the School's values, be committed to their learning and contribute to the life of the school. Applications are assessed on an individual basis by a selection panel.

Moama Anglican Grammar offers scholarships in four categories:

- Education Support
- Academic
- General Excellence
- Music/Performing Arts

Applications can be made for more than one category.
